BID LIMITS & TEAM BUDGET

01

TEAM BUDGET — $ 600

Each team must stay within its available auction budget.

02

PLAYER PRICE CAP — $ 100

No team may bid over $ 100 for a single player.

03

MINIMUM BID INCREASE — $ 5

Every new bid must raise the previous valid offer by at least $ 5.

No bid is valid if it exceeds the remaining team budget.

HOW THE AUCTION WORKS

01

ROUND 1 — ICON PLAYERS

The four icon players are introduced first. Every team secures its icon player.

02

ROUND 2 — REGULAR PLAYERS

Teams complete their 10-player roster through positional bidding.

03

ROUND 3 — UNSOLD PLAYERS

Unpicked players return for a final auction round.

WHEN TEAMS HIT THE $100 LIMIT

If multiple teams bid the maximum of ৳ 100 for the same player, the player chooses which of those teams to join.

PLAYER CHOICE DECIDES THE TIE.

SQUAD COMPLETION IS REQUIRED

01

10 PLAYERS — FULL ROSTER

Eligible: 8 players take the field and 2 remain substitutes.

02

8 OR 9 PLAYERS — INELIGIBLE

A team ending with 8 or 9 players cannot enter the tournament.

03

FEWER THAN 8 — SPECIAL MATCH RULE

The incomplete team plays with its available players; its opponent fields a full 8.

The special match provision does not make an incomplete roster tournament-eligible.

AUCTION FLOOR PROTOCOL

01

THE AUCTIONEER CONTROLS THE ROUND

Bids are accepted and recorded by the auctioneer.

02

HIGHEST VALID BID WINS

Except for a tied $ 100 maximum, when the player chooses the team.

03

RESPECT EVERY BIDDER

Managers should bid strategically and respect the final decision.
